

What is
Peer
Support?

Peer support is a trauma-informed approach where people with similar experiences walk alongside others, offering understanding without judgment.

Receiving and giving support by sharing our lived experience is what makes peer support real, impactful, and successful.

All our services, supports, activities, and events are voluntary, free of cost, and no insurance or referral is needed.

Lived Experience

We offer non-clinical, mutual peer-to-peer support in an inclusive and safe environment.

Mutual connections and trusting relationships are built here through the sharing of life experiences.

Self-determination

We strive to create a supportive, trauma-informed environment where every person is invited to explore emotional wellness at their own pace, and on their own terms.

Peer-to-Peer Support

The Fall River RCC offers one-on-one peer support as well as a variety of unique and creative support groups, workshops, activities & guest speakers. There's something for everyone!

We have a wide assortment of supports, activities and events for those who are *Young Adults, BIPOC, LGBTQIA2S+, Spanish-speaking, and Older Adults.*

We provide a safe, nonjudgmental and trauma-informed space to share what you're going through.

Events & Activities

We love to have fun at the Fall River RCC! Join us for seasonal and cultural celebrations, art, music, mental health awareness events, Pride events and outings in the community.

Peer Bridging & Resource Sharing

Our Peer Recovery Bridgers support people in transition from an inpatient or other restrictive settings to more independence with connections to resources in their communities of choice.
